## NEW / UNUSED GENUINE HP INKJET CARTRIDGE BUYBACK PRICING

All Inkjet Cartridges must be GENUINE HP Cartridges in Factory Sealed Boxes (Out of Box / Sealed Bag pricing will be half the "Expired" price). Boxes may have MINIMAL writing (Contact us if the box has excessive writing or has tears or dents in the box). Install/Warranty Dates (often referred to as Expiration Dates) will be on the back or side of most HP Inkjet Cartridges. An Un-Expired/Current date means the date is tomorrow's date and any date in the future. An Expired date is today's date and older. Some cartridges will work fine 6 years past Expiration and some will have a poor success rate even a year past Expiration and for that reason we have made notes on most cartridges/models in relation to accepted Expiration Dates.

If there is date referenced on the left-hand side, then that is the oldest date we will accept. Anything older than that will be treated as an empty

We require a minimum shipment of \$25.00. Contact us for A Pre-paid Label. New Cartridges can be sent with Empties !
