Technology is always changing. Old Ink-Jet and Laser printers are being phased out with the arrival of new printers. Many schools get stuck with brand new cartridges they spent hundreds of dollars on and now no longer have a need for. Dazz-Cycle will buy those new cartridges back from you and allow you to re-coup some of that money before throwing them away.

Expiration dates can be found on the back of the box. Cartridges dated before 2009 will not be accepted. All new cartridges must be genuine OEM (no Remanufactured or Refilled cartridges accepted) and still sealed in their original box. This is a partial list of the more common cartridges on the market today. Please call us or Email us concerning other cartridges you might have. Some Lexmarks, Epsoms, Canons, and Dells also accepted as well as some copy machine toners.
